Entertainment

I suspect some of the more militant transgender activists won't like the book, seeing Chii as someone who won the transgender lottery by having a very supportive family and fiance. However, many will find *The Bride Was a Boy* to be a book that teaches the reader in the format of a very well-told story. 21 people found this helpful

The Bride Was a Boy by Chii, Paperback | Barnes & Noble®

The Bride was a Boy is an autobiographical manga that tells the true-life story of a Japanese woman named Chii, who was assigned male at birth but identifies as a woman. This cheerful graphic memoir follows Chii through several important phases in her life, from questioning her gender as a child, to realising she is transgender, her emotional journey to figuring out what that means, her decision to transition, choosing a new name for herself, coming out to her friends and family, learning ...

The Bride was a Boy - Book Review - Everywhere

The Bride Was a Boy is a really charming graphic novel about the author's transition and about the author's relationship leading up to her wedding. There are also a number of insights told outside the narrative as informative snippets that go into LGBT- and trans-related topics and issues, particularly as they exist in Japan.
